Spezifikationen

|                         |                                                         |
|-------------------------|---------------------------------------------------------|
| Artikelnummer           | CS61574A-IL1ZR                                          |
| Hersteller              | Cirrus Logic                                            |
| Beschreibung            | IC LIU T1/E1 28PLCC                                     |
| Kategorie               | Integrierte Schaltungen (ICs) > Schnittstelle - Telecom |
| Teilstatus              | 2474 pcs Stock                                          |
| Spannungsversorgung     | 4.75 V ~ 5.25 V                                         |
| Supplier Device-Gehäuse | 28-PLCC                                                 |
| Serie                   | -                                                       |
| Leistung (W)            | 350mW                                                   |
| Verpackung              | Tape & Reel (TR)                                        |
| Verpackung / Gehäuse    | 28-LCC (J-Lead)                                         |
| Betriebstemperatur      | -40°C ~ 85°C                                            |
| Zahl der Schaltkreise   | 1                                                       |
| Befestigungsart         | Surface Mount                                           |
| Schnittstelle           | E1, T1                                                  |
| Enthält                 | -                                                       |
| Funktion                | Line Interface Unit (LIU)                               |
| Strom - Versorgung      | -                                                       |
