**PIC18LF65K80-I/MR**

|                         |                                                                                                                         |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Hersteller-Teilenummer: | PIC18LF65K80-I/MR                                                                                                       |
| Hersteller / Marke:     | Micrel / Microchip Technology                                                                                           |
| Teil der Beschreibung:  | IC MCU 8BIT 32KB FLASH 64QFN                                                                                            |
| Datenblätter:           |  <a href="#">PIC18LF65K80-I/MR.pdf</a> |
| RoHs Status:            | Bleifrei / RoHS-konform                                                                                                 |
| Lagerzustand:           | New original, 2568 pcs Stock Available.                                                                                 |
| Liefern von:            | Hong Kong                                                                                                               |
| Versandweg:             | DHL/Fedex/TNT/UPS/EMS                                                                                                   |

| Spezifikationen                   |                                               |
|-----------------------------------|-----------------------------------------------|
| Teilenummer                       | PIC18LF65K80-I/MR                             |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 32KB FLASH 64QFN                  |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2568 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 1.8 V ~ 3.6 V                                 |
| Supplier Device-Gehäuse           | 64-QFN (9x9)                                  |
| Geschwindigkeit                   | 64MHz                                         |
| Serie                             | PIC® XLP™ 18K                                 |
| RAM-Größe                         | 3.6K x 8                                      |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 32KB (16K x 16)                               |
| Peripherals                       | Brown-out Detect/Reset, LVD, POR, PWM, WDT    |
| Verpackung                        | Tube                                          |
| Verpackung / Gehäuse              | 64-VFQFN Exposed Pad                          |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 54                                            |
| EEPROM Größe                      | 1K x 8                                        |
| Datenwandler                      | A/D 11x12b                                    |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | ECAN, I²C, LIN, SPI, UART/USART               |
