|-----------------------------------|-----------------------------------------------|
| Teilenummer                       | TS80C31X2-LIB                                 |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT ROMLESS 44PLCC                    |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2632 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 2.7 V ~ 5.5 V                                 |
| Supplier Device-Gehäuse           | 44-PLCC (16.59x16.59)                         |
| Geschwindigkeit                   | 30/20MHz                                      |
| Serie                             | 80C                                           |
| RAM-Größe                         | 128 x 8                                       |
| Programmspeichertyp               | ROMless                                       |
| Programmspeichergröße             | -                                             |
| Peripherals                       | POR                                           |
| Verpackung                        | Tube                                          |
| Verpackung / Gehäuse              | 44-LCC (J-Lead)                               |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 32                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | -                                             |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | 80C51                                         |
| Connectivity                      | UART/USART                                    |
