| Artikelnummer                     | XC4010E-4PQ160I                                      |
| Hersteller                        | Xilinx                                               |
| Beschreibung                      | IC FPGA 129 I/O 160QFP                               |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettete - FPGAs |
| Teilstatus                        | 499 pcs Stock                                        |
| Spannungsversorgung               | 4.5 V ~ 5.5 V                                        |
| Gesamt-RAM-Bits                   | 12800                                                |
| Supplier Device-Gehäuse           | 160-PQFP (28x28)                                     |
| Serie                             | XC4000E/X                                            |
| Verpackung / Gehäuse              | 160-BQFP                                             |
| Betriebstemperatur                | -40°C ~ 100°C (TJ)                                   |
| Anzahl der Logikelemente / Zellen | 950                                                  |
| Anzahl der LABs / CLBs            | 400                                                  |
| Anzahl der E / A                  | 129                                                  |
| Anzahl der Gates                  | 10000                                                |
| Befestigungsart                   | Surface Mount                                        |
