|-----------------------------------|----------------------------------------------------|
| Artikelnummer                     | C8051F537-C-IMR                                    |
| Hersteller                        | Energy Micro (Silicon Labs)                        |
| Beschreibung                      | IC MCU 8BIT 2KB FLASH 20QFN                        |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet -      |
| Teilstatus                        | 2594 pcs Stock                                     |
| Spannung - Versorgung (Vcc / Vdd) | 2 V ~ 5.25 V                                       |
| Geschwindigkeit                   | 25MHz                                              |
| Serie                             | C8051F53x                                          |
| RAM-Größe                         | 256 x 8                                            |
| Programmspeichertyp               | FLASH                                              |
| Programmspeichergröße             | 2KB (2K x 8)                                       |
| Peripherals                       | Brown-out Detect/Reset, POR, PWM, Temp Sensor, WDT |
| Verpackung                        | Tape & Reel (TR)                                   |
| Verpackung / Gehäuse              | 20-VFQFN Exposed Pad                               |
| Oszillatortyp                     | Internal                                           |
| Betriebstemperatur                | -40°C ~ 125°C (TA)                                 |
| Anzahl der E / A                  | 16                                                 |
| EEPROM Größe                      | -                                                  |
| Datenwandler                      | A/D 16x12b                                         |
| Kerngröße                         | 8-Bit                                              |
| Core-Prozessor                    | 8051                                               |
| Connectivity                      | SPI, UART/USART                                    |
