| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2633 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 1.8 V ~ 3.6 V                                 |
| Supplier Device-Gehäuse           | 64-TQFP (10x10)                               |
| Geschwindigkeit                   | 8MHz                                          |
| Serie                             | MSP430x1xx                                    |
| RAM-Größe                         | 2K x 8                                        |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 48KB (48K x 8 + 256B)                         |
| Peripherals                       | POR, PWM, WDT                                 |
| Verpackung                        | Tray                                          |
| Verpackung / Gehäuse              | 64-TQFP                                       |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 48                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | A/D 8x12b                                     |
| Kerngröße                         | 16-Bit                                        |
| Core-Prozessor                    | MSP430                                        |
| Connectivity                      | SPI, UART/USART                               |
