| Artikelnummer                     | XU210-256-FB236-I20                           |
| Hersteller                        | XMOS                                          |
| Beschreibung                      | IC MCU 32BIT ROMLESS 236FBGA                  |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2541 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 0.95 V ~ 3.6 V                                |
| Supplier Device-Gehäuse           | 236-FBGA (10x10)                              |
| Geschwindigkeit                   | 2000MIPS                                      |
| Serie                             | XU                                            |
| RAM-Größe                         | 256K x 8                                      |
| Programmspeichertyp               | ROMless                                       |
| Programmspeichergröße             | -                                             |
| Peripherals                       | -                                             |
| Verpackung                        | Tray                                          |
| Verpackung / Gehäuse              | 236-LFBGA                                     |
| Oszillatortyp                     | External                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 104                                           |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | -                                             |
| Kerngröße                         | 32-Bit 10-Core                                |
| Core-Prozessor                    | XCore                                         |
| Connectivity                      | USB                                           |
