| Kategorie                   | Integrierte Schaltungen (ICs) > Logik - Umschaltregister |
| Teilstatus                  | 12927 pcs Stock                                          |
| Spannungsversorgung         | 2 V ~ 6 V                                                |
| Supplier Device-Gehäuse     | 16-SO                                                    |
| Serie                       | 74HC                                                     |
| Verpackung                  | Original-Reel®                                           |
| Verpackung / Gehäuse        | 16-SOIC (0.154", 3.90mm Width)                           |
| Ausgabetyp                  | Complementary                                            |
| Betriebstemperatur          | -55°C ~ 125°C                                            |
| Anzahl der Elemente         | 1                                                        |
| Anzahl der Bits pro Element | 8                                                        |
| Befestigungsart             | Surface Mount                                            |
| Logiktyp                    | Shift Register                                           |
| Funktion                    | Parallel or Serial to Serial                             |
