| Kategorie                    | Integrierte Schaltungen (ICs) > PMIC-Spannungsregler- |
| Teilstatus                   | 4353 pcs Stock                                        |
| Spannung - Ausgabe           | 2.8V                                                  |
| Spannung - Eingang           | Up to 10V                                             |
| Spannung - Aussetz (typisch) | -                                                     |
| Supplier Device-Gehäuse      | SOT-23-5                                              |
| Serie                        | -                                                     |
| Reglertopologie              | Positive Fixed                                        |
| Verpackung                   | Tape & Reel (TR)                                      |
| Verpackung / Gehäuse         | SC-74A, SOT-753                                       |
| Betriebstemperatur           | -40°C ~ 125°C                                         |
| Anzahl der Regler            | 1                                                     |
| Befestigungsart              | Surface Mount                                         |
| Strom - Ausgabe              | 150mA                                                 |
| Strom - Grenze (min)         | -                                                     |
