| Artikelnummer             | AD21487WBSWZ4B04                               |
| Hersteller                | N/A                                            |
| Beschreibung              | SHARCVW/5M RAM; AUDIODECODERS                  |
| Kategorie                 | Integrierte Schaltungen (ICs) > Embedded - DSP |
| Teilstatus                | 2543 pcs Stock                                 |
| Spannung - E / A          | 3.30V                                          |
| Spannung - Kern           | 1.10V                                          |
| Art                       | Floating Point                                 |
| Supplier Device-Gehäuse   | 176-LQFP-EP (24x24)                            |
| Serie                     | SHARC®                                         |
| Verpackung                | Tray                                           |
| Verpackung / Gehäuse      | 176-LQFP Exposed Pad                           |
| Betriebstemperatur        | -40°C ~ 85°C (TA)                              |
| On-Chip-RAM               | 5Mbit                                          |
| Nicht-flüchtiger Speicher | External                                       |
| Befestigungsart           | Surface Mount                                  |
| Schnittstelle             | EBI/EMI, DAI, I²C, SPI, SPORT, UART/USART      |
| Taktfrequenz              | 400MHz                                         |
