| Kategorie                              | Integrierte Schaltungen (ICs) > PMIC-Gate-Treiber |
| Teilstatus                             | 1339 pcs Stock                                    |
| Spannungsversorgung                    | 10 V ~ 20 V                                       |
| Supplier Device-Gehäuse                | 44-PLCC, 32 Leads (16.58x16.58)                   |
| Serie                                  | -                                                 |
| Aufstieg / Fallzeit (Typ)              | 125ns, 50ns                                       |
| Verpackung                             | Tube                                              |
| Verpackung / Gehäuse                   | 44-LCC (J-Lead), 32 Leads                         |
| Betriebstemperatur                     | -40°C ~ 150°C (TJ)                                |
| Anzahl der Treiber                     | 6                                                 |
| Befestigungsart                        | Surface Mount                                     |
| Logikspannung - VIL, VIH               | 0.8V, 3V                                          |
| Eingabetyp                             | Inverting                                         |
| High-Side-Spannung - Max (Bootstrap)   | 600V                                              |
| Gate-Typ                               | IGBT, N-Channel MOSFET                            |
| Angetriebene Konfiguration             | Half-Bridge                                       |
| Strom - Spitzenleistung (Quelle, Sink) | 200mA, 350mA                                      |
| Ladestrom                              | 3-Phase                                           |
