

| Spezifikationen                    |                                                       |
|------------------------------------|-------------------------------------------------------|
| Teilenummer                        | CZRQR33VB-HF                                          |
| Hersteller                         | Comchip Technology                                    |
| Beschreibung                       | DIODE ZENER 33V 125MW 0402                            |
| Kategorie                          | Diskrete Halbleiterprodukte > Dioden - Zener - Single |
| Teilstatus                         | 2584 pcs Stock                                        |
| Spannung - Zener (Nom) (Vz)        | 33V                                                   |
| Spannung - Forward (Vf) (Max) @ If | 900mV @ 10mA                                          |
| Toleranz                           | ±2%                                                   |
| Supplier Device-Gehäuse            | 0402/SOD-923F                                         |
| Serie                              | -                                                     |
| Leistung - max                     | 125mW                                                 |
| Verpackung                         | Tape & Reel (TR)                                      |
| Verpackung / Gehäuse               | 0402 (1006 Metric)                                    |
| Betriebstemperatur                 | -55°C ~ 125°C                                         |
| Befestigungsart                    | Surface Mount                                         |
| Impedanz (Max) (Zzt)               | 88 Ohm                                                |
| Strom - Sperrleckstrom @ Vr        | 100nA @ 25V                                           |

|                                                                                                                                                                      |                                                                                                                                                                       |                                                                                                                                                                       |                                                                                                                                                                         |  |
