| Spannungsversorgung                           | 4.5 V ~ 5.5 V                              |
| Spannung - Isolation                          | 3750Vrms                                   |
| Spannung - Vorwärts (Vf) (Typ)                | 1.6V                                       |
| Supplier Device-Gehäuse                       | 5-MFP                                      |
| Serie                                         | OPIC™                                      |
| Aufstieg / Fallzeit (Typ)                     | 4ns, 3ns                                   |
| Ausbreitungsverzögerung tpLH / tpHL (Max)     | 60ns, 60ns                                 |
| Verpackung                                    | Tape & Reel (TR)                           |
| Verpackung / Gehäuse                          | 6-SOIC (0.173", 4.40mm Width) 5 Leads      |
| Ausgabetyp                                    | Push-Pull, Totem Pole                      |
| Betriebstemperatur                            | -40°C ~ 85°C                               |
| Anzahl der Kanäle                             | 1                                          |
| Befestigungsart                               | Surface Mount                              |
| Eingänge - Seite 1 / Seite 2                  | 1/0                                        |
| Eingabetyp                                    | DC                                         |
| Datenrate                                     | 15Mbps                                     |
| Strom - Ausgang / Kanal                       | 2mA                                        |
| Strom - DC Vorwärts (If) (Max)                | 20mA                                       |
| Gattungsmodus vorübergehende Immunität (min.) | 15kV/μs                                    |
