| Hersteller                      | IDT (Integrated Device Technology)             |
| Beschreibung                    | IC CLK BUF DDR 220MHZ 1CIRC                    |
| Kategorie                       | Integrierte Schaltungen (ICs) > Uhr / Timing - |
| Teilstatus                      | 2556 pcs Stock                                 |
| Spannungsversorgung             | 2.3 V ~ 2.7 V                                  |
| Supplier Device-Gehäuse         | 28-TSSOP                                       |
| Serie                           | -                                              |
| Verhältnis - Eingang: Ausgang   | 1:4                                            |
| Verpackung                      | Tube                                           |
| Verpackung / Gehäuse            | 28-TSSOP (0.173", 4.40mm Width)                |
| PLL                             | Yes                                            |
| Ausgabe                         | Clock                                          |
| Betriebstemperatur              | 0°C ~ 70°C                                     |
| Zahl der Schaltkreise           | 1                                              |
| Befestigungsart                 | Surface Mount                                  |
| Hauptzweck                      | Memory, DDR                                    |
| Eingang                         | Clock                                          |
| Frequenz - Max                  | 220MHz                                         |
| Differenzial - Eingang: Ausgang | Yes/Yes                                        |
