| Teilstatus                        | 2582 pcs Stock                                     |
| Spannungsversorgung               | 4.5 V ~ 5.5 V                                      |
| Art                               | D-Type                                             |
| Trigger-Typ                       | Positive Edge                                      |
| Serie                             | 74FCT                                              |
| Verpackung                        | Original-Reel®                                     |
| Verpackung / Gehäuse              | 56-BSSOP (0.295", 7.50mm Width)                    |
| Ausgabetyp                        | Tri-State, Non-Inverted                            |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                                  |
| Anzahl der Elemente               | 2                                                  |
| Anzahl der Bits pro Element       | 9                                                  |
| Befestigungsart                   | Surface Mount                                      |
| Max Propagation Delay @ V, Max CL | 12.5ns @ 300pF                                     |
| Eingabekapazität                  | 4.5pF                                              |
| Funktion                          | Master Reset                                       |
| Strom - Ruhende                   | 500µA                                              |
| Strom - hoch, niedrig             | 32mA, 64mA                                         |
