| Artikelnummer                     | PIC24HJ32GP202-E/SS                           |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 16BIT 32KB FLASH 28SSOP                |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2629 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 3 V ~ 3.6 V                                   |
| Supplier Device-Gehäuse           | 28-SSOP                                       |
| Geschwindigkeit                   | 40 MIPS                                       |
| Serie                             | PIC® 24H                                      |
| RAM-Größe                         | 2K x 8                                        |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 32KB (11K x 24)                               |
| Peripherals                       | Brown-out Detect/Reset, POR, PWM, WDT         |
| Verpackung                        | Tube                                          |
| Verpackung / Gehäuse              | 28-SSOP (0.209", 5.30mm Width)                |
| Osziillatortyp                    | Internal                                      |
| Betriebstemperatur                | -40°C ~ 125°C (TA)                            |
| Anzahl der E / A                  | 21                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | A/D 10x10b/12b                                |
| Kerngröße                         | 16-Bit                                        |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | I²C, IrDA, LIN, SPI, UART/USART               |
