Spezifikationen

|                            |                                              |
|----------------------------|----------------------------------------------|
| Artikelnummer              | NFE61PT472C1H9L                              |
| Hersteller                 | Murata Electronics                           |
| Beschreibung               | FILTER LC(T) 4700PF SMD                      |
| Kategorie                  | Filter > EMI / RFI Filter (LC, RC Netzwerke) |
| Teilstatus                 | 2348 pcs Stock                               |
| Spannung - Nennwert        | 50V                                          |
| Werte                      | C = 4700pF                                   |
| Art                        | Low Pass                                     |
| Technologie                | LC (T-Type)                                  |
| Größe / Dimension          | 0.268" L x 0.063" W (6.80mm x 1.60mm)        |
| Serie                      | EMIFIL®, NFE61                               |
| Widerstand - Kanal (Ohm)   | -                                            |
| Verpackung                 | Tape & Reel (TR)                             |
| Verpackung / Gehäuse       | 2706 (6816 Metric), 3 PC Pad                 |
| Betriebstemperatur         | -40°C ~ 85°C                                 |
| Anzahl der Kanäle          | 1                                            |
| Befestigungsart            | Surface Mount                                |
| Höhe                       | 0.075" (1.90mm)                              |
| Filter Ordnung             | 3rd                                          |
| ESD-Schutz                 | No                                           |
| Strom                      | 2A                                           |
| Mitten- / Abschaltfrequenz | -                                            |
| Schwächungswert            | -                                            |
| Anwendungen                | General Purpose                              |
