|-------------------------------------------|----------------------------------------------------------|
| Artikelnummer                             | 74LVX4245WMX                                             |
| Hersteller                                | AMI Semiconductor / ON Semiconductor                     |
| Beschreibung                              | IC TXRX NON-INVERT 5.5V 24SOIC                           |
| Kategorie                                 | Integrierte Schaltungen (ICs) > Logik - Puffer, Treiber, |
| Teilstatus                                | 2650 pcs Stock                                           |
| Spannungsversorgung                       | 2.7 V ~ 3.6 V, 4.5 V ~ 5.5 V                             |
| Supplier Device-Gehäuse                   | 24-SOIC                                                  |
| Serie                                     | 74LVX                                                    |
| Verpackung                                | Tape & Reel (TR)                                         |
| Verpackung / Gehäuse                      | 24-SOIC (0.295", 7.50mm Width)                           |
| Ausgabetyp                                | 3-State                                                  |
| Andere Namen                              | 74LVX4245WMX-ND                                          |
| Betriebstemperatur                        | -40°C ~ 85°C (TA)                                        |
| Anzahl der Elemente                       | 1                                                        |
| Anzahl der Bits pro Element               | 8                                                        |
| Befestigungsart                           | Surface Mount                                            |
| Feuchtigkeitsempfindlichkeitsniveau (MSL) | 1 (Unlimited)                                            |
| Logiktyp                                  | Transceiver, Non-Inverting                               |
| Bleifreier Status / RoHS-Status           | Lead free / RoHS Compliant                               |
| Eingabetyp                                | -                                                        |
| detaillierte Beschreibung                 | Transceiver, Non-Inverting 1 Element 8 Bit per Element   |
| Strom - hoch, niedrig                     | 12mA, 12mA; 24mA, 24mA                                   |
| Basisteilenummer                          | 74LVX4245                                                |
