Spezifikationen

|                                   |                                               |
|-----------------------------------|-----------------------------------------------|
| Artikelnummer                     | STM32F051K8U6                                 |
| Hersteller                        | N/A                                           |
| Beschreibung                      | IC MCU 32BIT 64KB FLASH 32UFQFPN              |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 5429 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 2 V ~ 3.6 V                                   |
| Supplier Device-Gehäuse           | 32-UFQFPN (5x5)                               |
| Geschwindigkeit                   | 48MHz                                         |
| Serie                             | STM32 F0                                      |
| RAM-Größe                         | 8K x 8                                        |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 64KB (64K x 8)                                |
| Peripherals                       | DMA, I²S, POR, PWM, WDT                       |
| Verpackung                        | Tray                                          |
| Verpackung / Gehäuse              | 32-UFQFN Exposed Pad                          |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 27                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | A/D 13x12b, D/A 1x12b                         |
| Kerngröße                         | 32-Bit                                        |
| Core-Prozessor                    | ARM® Cortex®-M0                               |
| Connectivity                      | HDMI-CEC, I²C, IrDA, LIN, SPI, UART/USART     |
