

| Spezifikationen                         |                                  |
|-----------------------------------------|----------------------------------|
| Artikelnummer                           | ATV02W101-HF                     |
| Hersteller                              | Comchip Technology               |
| Beschreibung                            | TVS DIODE 100VWM 162VC SOD-123   |
| Kategorie                               | Schaltkreisschutz > TVS - Dioden |
| Teilstatus                              | 2538 pcs Stock                   |
| Spannung - Betriebsgleichspannung (Typ) | 100V                             |
| Spannung - Klemmung (max.) @ Ipp        | 162V                             |
| Spannung - Aufteilung (min.)            | 111V                             |
| Unidirektionale Kanäle                  | 1                                |
| Art                                     | Zener                            |
| Supplier Device-Gehäuse                 | SOD-123                          |
| Serie                                   | Automotive, AEC-Q101             |
| Stromleitungsschutz                     | No                               |
| Power - Peak Pulse                      | 200W                             |
| Verpackung                              | Tape & Reel (TR)                 |
| Verpackung / Gehäuse                    | SOD-123F                         |
| Betriebstemperatur                      | -55°C ~ 150°C (TJ)               |
| Befestigungsart                         | Surface Mount                    |
| Strom - Spitzenimpuls (10 / 1000µs)     | 1.23A                            |
| Kapazität @ Frequenz                    | -                                |
| Anwendungen                             | Automotive                       |

|                                                                                                                                                                                      |                                                                                                                                                                                      |                                                                                                                                                                           |                                                                                                                                                                                        |
