| Spezifikationen                   |                                                  |
|-----------------------------------|--------------------------------------------------|
| Artikelnummer                     | Z8F042ASJ020SG                                   |
| Hersteller                        | Zilog                                            |
| Beschreibung                      | IC MCU 8BIT 4KB FLASH 28SOIC                     |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet -    |
| Teilstatus                        | 2687 pcs Stock                                   |
| Spannung - Versorgung (Vcc / Vdd) | 2.7 V ~ 3.6 V                                    |
| Geschwindigkeit                   | 20MHz                                            |
| Serie                             | Encore!® XP®                                     |
| RAM-Größe                         | 1K x 8                                           |
| Programmspeichertyp               | FLASH                                            |
| Programmspeichergröße             | 4KB (4K x 8)                                     |
| Peripherals                       | Brown-out Detect/Reset, LED, LVD, POR, PWM, Temp |
| Verpackung                        | Tube                                             |
| Verpackung / Gehäuse              | 28-SOIC (0.295", 7.50mm Width)                   |
| Oszillatortyp                     | Internal                                         |
| Betriebstemperatur                | 0°C ~ 70°C (TA)                                  |
| Anzahl der E / A                  | 23                                               |
| EEPROM Größe                      | 128 x 8                                          |
| Datenwandler                      | A/D 8x10b                                        |
| Kerngröße                         | 8-Bit                                            |
| Core-Prozessor                    | eZ8                                              |
| Connectivity                      | IrDA, UART/USART                                 |
|                                   |                                                  |
