| Spannung - Forward (Vf) (Max) @ If | 1.1V @ 1A                                           |
| Spannung - Sperr (Vr) (max)        | 600V                                                |
| Supplier Device-Gehäuse            | DO-214AC (SMA)                                      |
| Geschwindigkeit                    | Standard Recovery >500ns, > 200mA (Io)              |
| Serie                              | -                                                   |
| Rückwärts-Erholzeit (Trr)          | 1.8µs                                               |
| Verpackung                         | Tape & Reel (TR)                                    |
| Verpackung / Gehäuse               | DO-214AC, SMA                                       |
| Betriebstemperatur - Anschluss     | -55°C ~ 150°C                                       |
| Befestigungsart                    | Surface Mount                                       |
| Diodentyp                          | Standard                                            |
| Strom - Sperrleckstrom @ Vr        | 1µA @ 600V                                          |
| Strom - Richt (Io)                 | 1A                                                  |
| Kapazität @ Vr, F                  | 12pF @ 4V, 1MHz                                     |
