| Hersteller                        | Power Integrations                                      |
| Beschreibung                      | IC OFFLN CONV MULT TOP 8SO                              |
| Kategorie                         | Integrierte Schaltungen (ICs) > PMIC - AC-DC-Wandler,   |
| Teilstatus                        | 2634 pcs Stock                                          |
| Spannung - Versorgung (Vcc / Vdd) | -                                                       |
| Spannung - Durchschlag            | 725V                                                    |
| Topologie                         | Buck, Buck-Boost, Flyback                               |
| Supplier Device-Gehäuse           | 8-SO                                                    |
| Serie                             | LinkSwitch™-TN2                                         |
| Leistung (W)                      | -                                                       |
| Verpackung                        | Tape & Reel (TR)                                        |
| Verpackung / Gehäuse              | 8-SOIC (0.154", 3.90mm Width) 7 leads                   |
| Ausgangsisolierung                | Non-Isolated                                            |
| Betriebstemperatur                | -40°C ~ 125°C (TJ)                                      |
| Befestigungsart                   | Surface Mount                                           |
| Interne (r)                       | Yes                                                     |
| Frequenz - Umschaltung            | 66kHz                                                   |
| Fehlerschutz                      | Current Limiting, Over Temperature, Over Voltage, Short |
| Auslastungsgrad                   | 69%                                                     |
| Kontrollfunktionen                | -                                                       |
