| Beschreibung                 | IC REG LDO 2.5V 0.3A SOT25                            |
| Kategorie                    | Integrierte Schaltungen (ICs) > PMIC-Spannungsregler- |
| Teilstatus                   | 52276 pcs Stock                                       |
| Spannung - Ausgabe           | 2.5V                                                  |
| Spannung - Eingang           | 2.7 V ~ 5.5 V                                         |
| Spannung - Aussetz (typisch) | -                                                     |
| Supplier Device-Gehäuse      | SOT-25                                                |
| Serie                        | -                                                     |
| Reglertopologie              | Positive Fixed                                        |
| Verpackung                   | Tape & Reel (TR)                                      |
| Verpackung / Gehäuse         | SC-74A, SOT-753                                       |
| Betriebstemperatur           | -40°C ~ 85°C                                          |
| Anzahl der Regler            | 1                                                     |
| Befestigungsart              | Surface Mount                                         |
| Strom - Ausgabe              | 300mA                                                 |
| Strom - Grenze (min)         | 300mA                                                 |
