| Teilenummer                     | 215570-6                                |
| Hersteller                      | AMP Connectors / TE Connectivity        |
| Beschreibung                    | CONN PADDLEBRD 6POS VERT 28AWG          |
| Kategorie                       | Steckverbinder, Verbinder > Rechteckige |
| Teilstatus                      | 2968 pcs Stock                          |
| Drahtstärke                     | 28 AWG, Stranded or Solid               |
| Serie                           | Micro-MaTch                             |
| Zeilenabstand                   | 0.100" (2.54mm)                         |
| Verpackung                      | Tape & Reel (TR)                        |
| Anzahl der Reihen               | 2                                       |
| Anzahl der geladenen Positionen | All                                     |
| Anzahl der Positionen           | 6                                       |
| Befestigungsart                 | Through Hole, Press-Fit                 |
| Eigenschaften                   | Feed Through                            |
| Kontakt-Finish Stärke           | -                                       |
| Kontakt-Finish                  | Tin                                     |
| Anschlusstyp                    | Ribbon Cable, DIP Header                |
| Farbe                           | Red                                     |
| Kabelabschluss                  | IDC                                     |
| Kabelsteigung                   | 0.050" (1.27mm)                         |
| Board-Side Pitch                | 0.100" (2.54mm)                         |
