|------------------------------------|-------------------------------------------------------|
| Artikelnummer                      | JAN1N979CUR-1                                         |
| Hersteller                         | Microsemi                                             |
| Beschreibung                       | DIODE ZENER 56V 500MW DO213AA                         |
| Kategorie                          | Diskrete Halbleiterprodukte > Dioden - Zener - Single |
| Teilstatus                         | 2545 pcs Stock                                        |
| Spannung - Zener (Nom) (Vz)        | 56V                                                   |
| Spannung - Forward (Vf) (Max) @ If | 1.1V @ 200mA                                          |
| Toleranz                           | ±2%                                                   |
| Supplier Device-Gehäuse            | DO-213AA                                              |
| Serie                              | Military, MIL-PRF-19500/117                           |
| Leistung - max                     | 500mW                                                 |
| Verpackung                         | Bulk                                                  |
| Verpackung / Gehäuse               | DO-213AA (Glass)                                      |
| Betriebstemperatur                 | -65°C ~ 175°C                                         |
| Befestigungsart                    | Surface Mount                                         |
| Impedanz (Max) (Zzt)               | 150 Ohm                                               |
| Strom - Sperrleckstrom @ Vr        | 500nA @ 43V                                           |

|                                                                                                                                                                                     |                                                                                                                                                                                 |                                                                                                                                                                                  |                                                                                                                                                                                   |
