| Spezifikationen                   |                                               |
|-----------------------------------|-----------------------------------------------|
| Artikelnummer                     | PIC18F83J11T-I/PT                             |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 8KB FLASH 80TQFP                  |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2528 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 2 V ~ 3.6 V                                   |
| Supplier Device-Gehäuse           | 80-TQFP (12x12)                               |
| Geschwindigkeit                   | 40MHz                                         |
| Serie                             | PIC® 18J                                      |
| RAM-Größe                         | 1K x 8                                        |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 8KB (4K x 16)                                 |
| Peripherals                       | Brown-out Detect/Reset, LVD, POR, PWM, WDT    |
| Verpackung                        | Tape & Reel (TR)                              |
| Verpackung / Gehäuse              | 80-TQFP                                       |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 67                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | A/D 12x10b                                    |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | EBI/EMI, I²C, SPI, UART/USART                 |
