|-----------------------------------|-----------------------------------------------|
| Artikelnummer                     | C8051F314-GQR                                 |
| Hersteller                        | Energy Micro (Silicon Labs)                   |
| Beschreibung                      | IC MCU 8BIT 8KB FLASH 32LQFP                  |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2679 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 2.7 V ~ 3.6 V                                 |
| Supplier Device-Gehäuse           | 32-LQFP (7x7)                                 |
| Geschwindigkeit                   | 25MHz                                         |
| Serie                             | C8051F31x                                     |
| RAM-Größe                         | 1.25K x 8                                     |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 8KB (8K x 8)                                  |
| Peripherals                       | POR, PWM, WDT                                 |
| Verpackung                        | Tape & Reel (TR)                              |
| Verpackung / Gehäuse              | 32-LQFP                                       |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 29                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | -                                             |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | 8051                                          |
| Connectivity                      | SMBus (2-Wire/I²C), SPI, UART/USART           |
