| Artikelnummer               | SN74ALVC245PWRG4                                         |
| Hersteller                  | N/A                                                      |
| Beschreibung                | IC BUS TRANSCEIVER DUAL 20TSSOP                          |
| Kategorie                   | Integrierte Schaltungen (ICs) > Logik - Puffer, Treiber, |
| Teilstatus                  | 12500 pcs Stock                                          |
| Spannungsversorgung         | 1.65 V ~ 3.6 V                                           |
| Supplier Device-Gehäuse     | 20-TSSOP                                                 |
| Serie                       | 74ALVC                                                   |
| Verpackung                  | Tape & Reel (TR)                                         |
| Verpackung / Gehäuse        | 20-TSSOP (0.173", 4.40mm Width)                          |
| Ausgabetyp                  | Push-Pull                                                |
| Betriebstemperatur          | -40°C ~ 85°C (TA)                                        |
| Anzahl der Elemente         | 1                                                        |
| Anzahl der Bits pro Element | 8                                                        |
| Befestigungsart             | Surface Mount                                            |
| Logiktyp                    | Transceiver, Non-Inverting                               |
| Eingabetyp                  | -                                                        |
| Strom - hoch, niedrig       | 24mA, 24mA                                               |
