| Beschreibung                     | IC VREF SHUNT ADJ SOT23-5              |
| Kategorie                        | Integrierte Schaltungen (ICs) > PMIC - |
| Teilstatus                       | 32542 pcs Stock                        |
| Spannung - Ausgang (Min / Fixed) | 1.24V                                  |
| Spannung - Ausgabe (max)         | 6V                                     |
| Spannung - Eingang               | -                                      |
| Toleranz                         | ±0.5%                                  |
| Temperaturkoeffizient            | -                                      |
| Supplier Device-Gehäuse          | SOT-23-5                               |
| Serie                            | -                                      |
| Referenztyp                      | Shunt                                  |
| Verpackung                       | Tape & Reel (TR)                       |
| Verpackung / Gehäuse             | SC-74A, SOT-753                        |
| Ausgabetyp                       | Adjustable                             |
| Betriebstemperatur               | -40°C ~ 85°C (TA)                      |
| Geräusch - 10Hz bis 10kHz        | -                                      |
| Geräusch - 0,1Hz bis 10Hz        | -                                      |
| Befestigungsart                  | Surface Mount                          |
| Strom - Versorgung               | -                                      |
| Strom - Ausgabe                  | 15mA                                   |
| Strom - Kathode                  | 100µA                                  |
|                                  |                                        |
