| Hersteller                        | N/A                                                    |
| Beschreibung                      | IC REG CTRLR BUCK 16SOIC                               |
| Kategorie                         | Integrierte Schaltungen (ICs) > PMIC - Spannungsregler |
| Teilstatus                        | 2604 pcs Stock                                         |
| Spannung - Versorgung (Vcc / Vdd) | 4 V ~ 40 V                                             |
| Topologie                         | Buck                                                   |
| Synchrongleichrichter             | Yes                                                    |
| Supplier Device-Gehäuse           | 16-SOIC                                                |
| Serie                             | -                                                      |
| Serielle Schnittstellen           | -                                                      |
| Verpackung                        | Tube                                                   |
| Verpackung / Gehäuse              | 16-SOIC (0.154", 3.90mm Width)                         |
| Ausgabetyp                        | Transistor Driver                                      |
| Ausgangsphasen                    | 1                                                      |
| Ausgangskonfiguration             | Positive or Negative                                   |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                                      |
| Anzahl der Ausgänge               | 1                                                      |
| Funktion                          | Step-Down                                              |
| Frequenz - Umschaltung            | Up to 250kHz                                           |
| Duty Cycle (Max)                  | 100%                                                   |
| Kontrollfunktionen                | Current Limit, Enable                                  |
| Taktsynchronisation               | No                                                     |
