Spezifikationen

|                                   |                                               |
|-----------------------------------|-----------------------------------------------|
| Artikelnummer                     | PIC18F86K90-I/PTRSL                           |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 64KB FLASH 80TQFP                 |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2340 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 1.8 V ~ 5.5 V                                 |
| Supplier Device-Gehäuse           | 80-TQFP (12x12)                               |
| Geschwindigkeit                   | 64MHz                                         |
| Serie                             | PIC® XLP™ 18K                                 |
| RAM-Größe                         | 4K x 8                                        |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 64KB (32K x 16)                               |
| Peripherals                       | Brown-out Detect/Reset, LCD, POR, PWM, WDT    |
| Verpackung                        | Tray                                          |
| Verpackung / Gehäuse              | 80-TQFP                                       |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 69                                            |
| EEPROM Größe                      | 1K x 8                                        |
| Datenwandler                      | A/D 24x12b                                    |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | I²C, LIN, SPI, UART/USART                     |
