| Kategorie                         | Integrierte Schaltungen (ICs) > PMIC-Netzschalter, |
| Teilstatus                        | 3131 pcs Stock                                     |
| Spannung - Versorgung (Vcc / Vdd) | Not Required                                       |
| Spannung - Last                   | 2.7 V ~ 5.5 V                                      |
| Schaltertyp                       | USB Switch                                         |
| Supplier Device-Gehäuse           | 16-SOIC                                            |
| Serie                             | -                                                  |
| Rds On (Typ)                      | 100 mOhm                                           |
| Verhältnis - Eingang: Ausgang     | 2 x 1:2                                            |
| Verpackung                        | Tube                                               |
| Verpackung / Gehäuse              | 16-SOIC (0.154", 3.90mm Width)                     |
| Ausgabetyp                        | N-Channel                                          |
| Ausgangskonfiguration             | High Side                                          |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                                  |
| Anzahl der Ausgänge               | 4                                                  |
| Schnittstelle                     | On/Off                                             |
| Eingabetyp                        | Non-Inverting                                      |
| Eigenschaften                     | Slew Rate Controlled, Status Flag                  |
| Fehlerschutz                      | Current Limiting (Fixed), Over Temperature, UVLO   |
| Strom - Ausgabe (max)             | 500mA                                              |
