|-------------------------------------------|-----------------------------------------------------|
| Artikelnummer                             | MB91F777SPMC-GSK5E1                                 |
| Hersteller                                | Cypress Semiconductor                               |
| Beschreibung                              | IC MCU 32BIT 1.125MB FLA 144LQFP                    |
| Kategorie                                 | Integrierte Schaltungen (ICs) > Eingebettet -       |
| Teilstatus                                | 2523 pcs Stock                                      |
| Spannung - Versorgung (Vcc / Vdd)         | 3.7 V ~ 5.5 V                                       |
| Supplier Device-Gehäuse                   | 144-LQFP (20x20)                                    |
| Geschwindigkeit                           | 64MHz                                               |
| Serie                                     | FR MB91770                                          |
| RAM-Größe                                 | 48K x 8                                             |
| Programmspeichertyp                       | FLASH                                               |
| Programmspeichergröße                     | 1.125MB (1.125M x 8)                                |
| Peripherals                               | DMA, LCD, LVD, POR, PWM, WDT                        |
| Verpackung                                | Tray                                                |
| Verpackung / Gehäuse                      | 144-LQFP                                            |
| Andere Namen                              | MB91F777SPMC-GSE1                                   |
| Oszillatortyp                             | External                                            |
| Betriebstemperatur                        | -40°C ~ 105°C (TA)                                  |
| Anzahl der E / A                          | 109                                                 |
| Feuchtigkeitsempfindlichkeitsniveau (MSL) | 3 (168 Hours)                                       |
| Bleifreier Status / RoHS-Status           | Lead free / RoHS Compliant                          |
| EEPROM Größe                              | -                                                   |
| detaillierte Beschreibung                 | FR81S FR MB91770 Microcontroller IC 32-Bit 64MHz    |
| Datenwandler                              | A/D 32x8/10b                                        |
| Kerngröße                                 | 32-Bit                                              |
| Core-Prozessor                            | FR81S                                               |
| Connectivity                              | CANbus, CSIO, EBI/EMI, I²C, LINbus, SPI, UART/USART |
