| Artikelnummer                     | PIC16C74A-20I/PT                              |
| Hersteller                        | Micrel / Microchip Technology                 |
| Beschreibung                      | IC MCU 8BIT 7KB OTP 44TQFP                    |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2644 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 4 V ~ 6 V                                     |
| Supplier Device-Gehäuse           | 44-TQFP (10x10)                               |
| Geschwindigkeit                   | 20MHz                                         |
| Serie                             | PIC® 16C                                      |
| RAM-Größe                         | 192 x 8                                       |
| Programmspeichertyp               | OTP                                           |
| Programmspeichergröße             | 7KB (4K x 14)                                 |
| Peripherals                       | Brown-out Detect/Reset, POR, PWM, WDT         |
| Verpackung                        | Tray                                          |
| Verpackung / Gehäuse              | 44-TQFP                                       |
| Oszillatortyp                     | External                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 33                                            |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | A/D 8x8b                                      |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | I²C, SPI, UART/USART                          |
