|-------------------------|--------------------------------------------|
| Artikelnummer           | MCP2035-I/ST                               |
| Hersteller              | Micrel / Microchip Technology              |
| Beschreibung            | IC AFE TRANSPONDER 14TSSOP                 |
| Kategorie               | RF / IF und RFID > RF Front End (LNA + PA) |
| Teilstatus              | 2575 pcs Stock                             |
| Supplier Device-Gehäuse | 14-TSSOP                                   |
| Serie                   | -                                          |
| HF-Typ                  | General Purpose                            |
| Verpackung              | Tube                                       |
| Verpackung / Gehäuse    | 14-TSSOP (0.173", 4.40mm Width)            |
| Frequenz                | 125kHz                                     |
| Eigenschaften           | 10kbps                                     |
