| Beschreibung                             | OPTOISO 1.5KV 4CH DARL 16-SMD CC                        |
| Kategorie                                | Isolatoren > Optoisolatoren - Transistor, Photovoltaik- |
| Teilstatus                               | 2635 pcs Stock                                          |
| Spannung - Ausgabe (max)                 | 20V                                                     |
| Spannung - Isolation                     | 1500VDC                                                 |
| Spannung - Vorwärts (Vf) (Typ)           | 1.4V                                                    |
| VCE Sättigung (max)                      | 110mV                                                   |
| Ein- / Ausschalzeit (Typ)                | 2µs, 8µs                                                |
| Supplier Device-Gehäuse                  | 16-SMD Crew Cut                                         |
| Serie                                    | -                                                       |
| Aufstieg / Fallzeit (Typ)                | -                                                       |
| Verpackung                               | Tube                                                    |
| Verpackung / Gehäuse                     | 16-SMD, Butt Joint, Crew Cut                            |
| Ausgabetyp                               | Darlington                                              |
| Betriebstemperatur                       | -55°C ~ 125°C                                           |
| Anzahl der Kanäle                        | 4                                                       |
| Befestigungsart                          | Surface Mount                                           |
| Eingabetyp                               | DC                                                      |
| Gleichstrom-Übertragungsverhältnis (min) | 200% @ 5mA                                              |
| Stromübertragungsverhältnis (max)        | -                                                       |
| Strom - Ausgang / Kanal                  | 40mA                                                    |
| Strom - DC Vorwärts (If) (Max)           | 10mA                                                    |
