| Beschreibung                     | IC REG SWTCHD CAP 5V 25MA 8VSSOP                       |
| Kategorie                        | Integrierte Schaltungen (ICs) > PMIC - Spannungsregler |
| Teilstatus                       | 2582 pcs Stock                                         |
| Spannung - Ausgang (Min / Fixed) | 5V                                                     |
| Spannung - Ausgabe (max)         | -                                                      |
| Spannung - Eingang (min)         | 2.7V                                                   |
| Spannung - Eingang (Max)         | 5.5V                                                   |
| Topologie                        | Charge Pump                                            |
| Synchrone Gleichrichter          | No                                                     |
| Supplier Device-Gehäuse          | 8-VSSOP                                                |
| Serie                            | -                                                      |
| Verpackung                       | Tape & Reel (TR)                                       |
| Verpackung / Gehäuse             | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                 |
| Ausgabebetyp                     | Fixed                                                  |
| Ausgangskonfiguration            | Positive                                               |
| Betriebstemperatur               | -40°C ~ 85°C (TA)                                      |
| Anzahl der Ausgänge              | 1                                                      |
| Befestigungsart                  | Surface Mount                                          |
| Funktion                         | Step-Up/Step-Down                                      |
| Frequenz - Umschaltung           | 160kHz                                                 |
| Strom - Ausgabe                  | 25mA                                                   |
