|-----------------------------------|-------------------------------------------------------|
| Artikelnummer                     | LNK6765K-TL                                           |
| Hersteller                        | Power Integrations                                    |
| Beschreibung                      | IC OFFLINE SW PSR 12ESOP                              |
| Kategorie                         | Integrierte Schaltungen (ICs) > PMIC - AC-DC-Wandler, |
| Teilstatus                        | 2604 pcs Stock                                        |
| Spannung - Versorgung (Vcc / Vdd) | -                                                     |
| Spannung - Durchschlag            | 650V                                                  |
| Topologie                         | Flyback                                               |
| Supplier Device-Gehäuse           | 12-ESOP                                               |
| Serie                             | LinkSwitch™-HP                                        |
| Leistung (W)                      | 42W                                                   |
| Verpackung                        | Tape & Reel (TR)                                      |
| Verpackung / Gehäuse              | 12-BESOP (0.350", 8.89mm Width) 11 Leads, Exposed     |
| Ausgangsisolierung                | Isolated                                              |
| Betriebstemperatur                | -40°C ~ 150°C (TJ)                                    |
| Befestigungsart                   | Surface Mount                                         |
| Interne (r)                       | Yes                                                   |
| Frequenz - Umschaltung            | 120kHz ~ 136kHz                                       |
| Fehlerschutz                      | Current Limiting, Over Load, Over Temperature, Over   |
| Auslastungsgrad                   | 64%                                                   |
| Kontrollfunktionen                | -                                                     |
