| Hersteller                              | Micro Commercial Components (MCC) |
| Beschreibung                            | TVS DIODE 100VWM 162VC SMA        |
| Kategorie                               | Schaltkreisschutz > TVS - Dioden  |
| Teilstatus                              | 2602 pcs Stock                    |
| Spannung - Betriebsgleichspannung (Typ) | 100V                              |
| Spannung - Klemmung (max.) @ Ipp        | 162V                              |
| Spannung - Aufteilung (min.)            | 111V                              |
| Unidirektionale Kanäle                  | 1                                 |
| Art                                     | Zener                             |
| Supplier Device-Gehäuse                 | DO-214AC (SMA)                    |
| Serie                                   | -                                 |
| Stromleitungsschutz                     | No                                |
| Power - Peak Pulse                      | 400W                              |
| Verpackung                              | Tape & Reel (TR)                  |
| Verpackung / Gehäuse                    | DO-214AC, SMA                     |
| Betriebstemperatur                      | -55°C ~ 175°C (TA)                |
| Befestigungsart                         | Surface Mount                     |
| Strom - Spitzenimpuls (10 / 1000µs)     | 2.5A                              |
| Kapazität @ Frequenz                    | -                                 |
| Anwendungen                             | General Purpose                   |
