| Artikelnummer                     | MK60FN1M0VLQ12                                |
| Hersteller                        | NXP Semiconductors / Freescale                |
| Beschreibung                      | IC MCU 32BIT 1MB FLASH 144LQFP                |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 5460 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 1.71 V ~ 3.6 V                                |
| Supplier Device-Gehäuse           | 144-LQFP (20x20)                              |
| Geschwindigkeit                   | 120MHz                                        |
| Serie                             | Kinetis K60                                   |
| RAM-Größe                         | 128K x 8                                      |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 1MB (1M x 8)                                  |
| Peripherals                       | DMA, I²S, LVD, POR, PWM, WDT                  |
| Verpackung                        | Tray                                          |
| Verpackung / Gehäuse              | 144-LQFP                                      |
| Oszillatortyp                     | Internal                                      |
| Betriebstemperatur                | -40°C ~ 105°C (TA)                            |
| Anzahl der E / A                  | 100                                           |
| EEPROM Größe                      | -                                             |
| Datenwandler                      | A/D 58x16b, D/A 2x12b                         |
| Kerngröße                         | 32-Bit                                        |
| Core-Prozessor                    | ARM® Cortex®-M4                               |
| Connectivity                      | CAN, EBI/EMI, Ethernet, I²C, IrDA, SD, SPI,   |
