| Kategorie                | Schaltkreisschutz > Elektrische, Spezialsicherungen |
| Teilstatus               | 2514 pcs Stock                                      |
| Nennspannung - DC        | -                                                   |
| Nennspannung - AC        | 700V                                                |
| Größe / Dimension        | 1.969" L x 2.402" W x 2.953" H (50.00mm x 61.00mm x |
| Serie                    | -                                                   |
| Reaktionszeit            | -                                                   |
| Verpackung               | Bulk                                                |
| Verpackung / Gehäuse     | Rectangular, Blade                                  |
| Betriebstemperatur       | -                                                   |
| Befestigungsart          | Bolt Mount                                          |
| Schmelzen I²t            | 86000                                               |
| Sicherungstyp            | Square                                              |
| Eigenschaften            | Indicating                                          |
| Aktuelle Bewertung       | 800A                                                |
| Klasse                   | -                                                   |
| Brechen bei Nennspannung | 200kA                                               |
| Zulassungen              | CE, CSA, UR                                         |
| Anwendungen              | Electrical, Industrial                              |
