|------------------------------|-------------------------------------------------------|
| Teilenummer                  | PQ1K253M2ZPH                                          |
| Hersteller                   | Sharp Microelectronics                                |
| Beschreibung                 | IC REG LDO 2.5V 0.3A SOT23L-6                         |
| Kategorie                    | Integrierte Schaltungen (ICs) > PMIC-Spannungsregler- |
| Teilstatus                   | 2243 pcs Stock                                        |
| Spannung - Ausgabe           | 2.5V                                                  |
| Spannung - Eingang           | Up to 9V                                              |
| Spannung - Aussetz (typisch) | 0.4V @ 300mA                                          |
| Supplier Device-Gehäuse      | SOT-23L-6                                             |
| Serie                        | -                                                     |
| Reglertopologie              | Positive Fixed                                        |
| Verpackung                   | Original-Reel®                                        |
| Verpackung / Gehäuse         | SOT-23-6                                              |
| Betriebstemperatur           | -30°C ~ 80°C                                          |
| Anzahl der Regler            | 1                                                     |
| Befestigungsart              | Surface Mount                                         |
| Strom - Ausgabe              | 300mA                                                 |
| Strom - Grenze (min)         | -                                                     |
