

| Spezifikationen                          |                                  |
|------------------------------------------|----------------------------------|
| Artikelnummer                            | 5KP170CA-HRA                     |
| Hersteller                               | IAR Systems Software Inc         |
| Beschreibung                             | TVS DIODE 170VWM 275VC AXIAL     |
| Kategorie                                | Schaltkreisschutz > TVS - Dioden |
| Teilstatus                               | 2610 pcs Stock                   |
| Spannung - Klemmung (max.) @ Ipp         | 189V                             |
| Spannung - Kipp                          | 1                                |
| Spannung - Aufteilung (min.)             | 170V                             |
| Spannung - Durchschlag                   | P600                             |
| Art                                      | Zener                            |
| Serie                                    | 5KP-HRA                          |
| RoHS Status                              | Tape & Reel (TR)                 |
| Ripple Current - Low Frequency           | General Purpose                  |
| Stromleitungsschutz                      | 5000W (5kW)                      |
| Power - Peak Pulse                       | 18.5A                            |
| Polarisation                             | P600, Axial                      |
| Betriebstemperatur                       | -55°C ~ 175°C (TA)               |
| Befestigungsart                          | Through Hole                     |
| Feuchtigkeitsempfindlichkeitsstufe (MSL) | 1 (Unlimited)                    |
| Hersteller Standard Vorlaufzeit          | 18 Weeks                         |
| Hersteller-Teilenummer                   | 5KP170CA-HRA                     |
| Beschreibung                             | TVS DIODE 170VWM 275VC AXIAL     |
| Strom - Spitzenimpuls (10 / 1000µs)      | 275V                             |
| Kapazität @ Frequenz                     | -                                |
| Bidirektionale Kanäle                    | No                               |

|                                                                                                                                                                                     |                                                                                                                                                                             |                                                                                                                                                                             |                                                                                                                                                                          |
