| Hersteller                       | N/A                                         |
| Beschreibung                     | IC VREF SERIES DL 2.5V 16MSOP               |
| Kategorie                        | Integrierte Schaltungen (ICs) > PMIC -      |
| Teilstatus                       | 2556 pcs Stock                              |
| Spannung - Ausgang (Min / Fixed) | 2.5V, 2.5V                                  |
| Spannung - Ausgabe (max)         | -                                           |
| Spannung - Eingang               | 2.5 V ~ 6 V                                 |
| Toleranz                         | ±0.05%                                      |
| Temperaturkoeffizient            | 10ppm/°C                                    |
| Supplier Device-Gehäuse          | 16-MSOP                                     |
| Serie                            | -                                           |
| Referenztyp                      | Series, Dual                                |
| Verpackung                       | Tube                                        |
| Verpackung / Gehäuse             | 16-TFSOP (0.118", 3.00mm Width) Exposed Pad |
| Ausgabetyp                       | Fixed                                       |
| Betriebstemperatur               | -40°C ~ 85°C (TJ)                           |
| Geräusch - 10Hz bis 10kHz        | 2ppmrms                                     |
| Geräusch - 0,1Hz bis 10Hz        | 1.5ppmp-p                                   |
| Befestigungsart                  | Surface Mount                               |
| Strom - Versorgung               | 3mA                                         |
| Strom - Ausgabe                  | 20mA                                        |
| Strom - Kathode                  | -                                           |
