| Artikelnummer                | TPS79301DBVR                                          |
| Hersteller                   | N/A                                                   |
| Beschreibung                 | IC REG LDO ADJ 0.2A SOT23-6                           |
| Kategorie                    | Integrierte Schaltungen (ICs) > PMIC-Spannungsregler- |
| Teilstatus                   | 12280 pcs Stock                                       |
| Spannung - Ausgabe           | 1.22 V ~ 5.5 V                                        |
| Spannung - Eingang           | 2.7 V ~ 5.5 V                                         |
| Spannung - Aussetz (typisch) | 0.077V @ 200mA                                        |
| Supplier Device-Gehäuse      | SOT-23-6                                              |
| Serie                        | -                                                     |
| Reglertopologie              | Positive Adjustable                                   |
| Verpackung                   | Tape & Reel (TR)                                      |
| Verpackung / Gehäuse         | SOT-23-6                                              |
| Betriebstemperatur           | -40°C ~ 150°C                                         |
| Anzahl der Regler            | 1                                                     |
| Befestigungsart              | Surface Mount                                         |
| Strom - Ausgabe              | 200mA                                                 |
| Strom - Grenze (min)         | 285mA                                                 |
