| Beschreibung                              | IC MCU 8BIT 128KB FLASH 32VFQFPN                  |
| Kategorie                                 | Integrierte Schaltungen (ICs) > Eingebettet -     |
| Teilstatus                                | 2601 pcs Stock                                    |
| Spannung - Versorgung (Vcc / Vdd)         | 3 V ~ 5.5 V                                       |
| Geschwindigkeit                           | 24MHz                                             |
| Serie                                     | Automotive, AEC-Q100, STM8A                       |
| RAM-Größe                                 | 6K x 8                                            |
| Programmspeichertyp                       | FLASH                                             |
| Programmspeichergröße                     | 128KB (128K x 8)                                  |
| Peripherals                               | Brown-out Detect/Reset, POR, PWM, WDT             |
| Oszillatortyp                             | Internal                                          |
| Betriebstemperatur                        | -40°C ~ 125°C (TA)                                |
| Anzahl der E / A                          | 25                                                |
| Feuchtigkeitsempfindlichkeitsniveau (MSL) | 3 (168 Hours)                                     |
| Hersteller Standard Vorlaufzeit           | 20 Weeks                                          |
| Bleifreier Status / RoHS-Status           | Lead free / RoHS Compliant                        |
| EEPROM Größe                              | 2K x 8                                            |
| detaillierte Beschreibung                 | STM8A Automotive, AEC-Q100, STM8A Microcontroller |
| Datenwandler                              | A/D 7x10b                                         |
| Kerngröße                                 | 8-Bit                                             |
| Core-Prozessor                            | STM8A                                             |
| Connectivity                              | I²C, LINbus, SPI, UART/USART                      |
