| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet - |
| Teilstatus                        | 2509 pcs Stock                                |
| Spannung - Versorgung (Vcc / Vdd) | 2 V ~ 5.5 V                                   |
| Supplier Device-Gehäuse           | 18-SOIC                                       |
| Geschwindigkeit                   | 40MHz                                         |
| Serie                             | PIC® 18F                                      |
| RAM-Größe                         | 256 x 8                                       |
| Programmspeichertyp               | FLASH                                         |
| Programmspeichergröße             | 4KB (2K x 16)                                 |
| Peripherals                       | Brown-out Detect/Reset, LVD, POR, PWM, WDT    |
| Verpackung                        | Tape & Reel (TR)                              |
| Verpackung / Gehäuse              | 18-SOIC (0.295", 7.50mm Width)                |
| Osziillatortyp                    | Internal                                      |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                             |
| Anzahl der E / A                  | 16                                            |
| EEPROM Größe                      | 256 x 8                                       |
| Datenwandler                      | A/D 7x10b                                     |
| Kerngröße                         | 8-Bit                                         |
| Core-Prozessor                    | PIC                                           |
| Connectivity                      | UART/USART                                    |
