| Beschreibung                    | CAP TRIMMER 250V VERT TH                          |
| Kategorie                       | Kondensatoren > Trimmer, Variable Kondensatoren   |
| Teilstatus                      | 2583 pcs Stock                                    |
| Spannung - Nennwert             | 250V                                              |
| Größe / Dimension               | 0.300" Dia (7.62mm)                               |
| Serie                           | E                                                 |
| Q @ Frequenz                    | 5000 @ 100MHz                                     |
| Betriebstemperatur              | -65°C ~ 125°C                                     |
| Befestigungsart                 | Through Hole                                      |
| Hersteller Standard Vorlaufzeit | 17 Weeks                                          |
| Höhe - eingesteckt (max)        | 0.480" (12.19mm)                                  |
| Eigenschaften                   | General Purpose                                   |
| Dielektrikummaterial            | Polytetrafluoroethylene (PTFE)                    |
| detaillierte Beschreibung       | 0.8 ~ 5pF Trimmer Capacitor 250V Top Through Hole |
| Kapazitätsbereich               | 0.8 ~ 5pF                                         |
| Einstellungsart                 | Top                                               |
