| Beschreibung                     | IC REG BUCK ADJ 3A 8SOIC                               |
| Kategorie                        | Integrierte Schaltungen (ICs) > PMIC - Spannungsregler |
| Teilstatus                       | 270 pcs Stock                                          |
| Spannung - Ausgang (Min / Fixed) | 1.2V                                                   |
| Spannung - Ausgabe (max)         | 13.6V                                                  |
| Spannung - Eingang (min)         | 3V                                                     |
| Spannung - Eingang (Max)         | 16V                                                    |
| Topologie                        | Buck                                                   |
| Synchrone Gleichrichter          | No                                                     |
| Supplier Device-Gehäuse          | 8-SOIC-EP                                              |
| Serie                            | -                                                      |
| Verpackung                       | Tape & Reel (TR)                                       |
| Verpackung / Gehäuse             | 8-SOIC (0.154", 3.90mm Width) Exposed Pad              |
| Ausgabebetyp                     | Adjustable                                             |
| Ausgangskonfiguration            | Positive                                               |
| Betriebstemperatur               | -40°C ~ 85°C (TA)                                      |
| Anzahl der Ausgänge              | 1                                                      |
| Befestigungsart                  | Surface Mount                                          |
| Funktion                         | Step-Down                                              |
| Frequenz - Umschaltung           | 600kHz                                                 |
| Strom - Ausgabe                  | 3A                                                     |
